Mr. President, your committee in Miscellaneous Subjects to whom it was referred LB817 instructs me to report the same to the Legislature the recommendation to be advanced to General File as amended. PRESIDENT: The Chair has the privilege of introducing 34 8th graders from St. Stanislaus School in Omaha, Senator Mahoney's district. They're escorted today by Sister Charlene, Sister Patricia and six room mothers. The Chair should mention that this is National Catholic Education Week. We are delighted to have you here today to observe the debate and the action in the Nebraska Unicameral Legislature. We hope you enjoy your visit here. At least, it beats going to school--right? Okay. Do we have any other business on the desk? All right, then. We can move to the consideration of the bills on General File. Senator Kime, the Chair would respectfully point out to you that the two bills that precede your bill on General File this morning--if you look at the work sheet--are thereby proper legislative origin and position. I understand your concern for LB646 but the others did have a priority because of business internally. So here we go. The first bill on final reading this morning....excuse me.... on General File this morning would be LB813. Will the Clerk bring us up to.....Senator Warner?
